

TREGONY PRE-SCHOOL & PLAYGROUP

NEWSLETTER

JANUARY 2006

Happy New Year to everyone, we hope that you all had a good Christmas.

Firstly, we would just like to say a big thank you to everyone who supported and helped at the Christmas Nativity. The children all did so well and the afternoon was a great success. The sum of £449 was raised, which was the best ever. We have already bought a new combination microwave, which will inspire all those little Jamie Olivers, and a toaster so that we can introduce toast at snack time.

Sweatshirts have been ordered, so if anyone would like to buy one for their child, please see a member of staff.

Sweatshirts will be £7.50 each.

We are collecting unwanted c.d. discs if anyone has spare ones at home. Caroline will be using them in the garden, so watch out for her new inventions!

On the outside door to the playroom there is an A4 laminated sheet showing parents the letter, number, shape and colour of the week. The children will be doing different activities each day to encourage them to learn these, but it would be very much appreciated if you could also practise these with your child at home.

We are looking at different machines this half term, so any posters etc. would be most welcome. We are also collecting pictures of different items with numbers on them to add to our display board in the maths area.

Shortly we will be starting to paint the cloakroom area, Liam & Geri Dorcey have kindly offered to paint another mural for us. If anyone is able to help, please see Jo Foster.

We are planning to hold another **Parents Evening** next month, as the last one was such a success. The date will be confirmed at the next committee meeting.

COMMITTEE MEETING 25th JANUARY AT THE
KINGS ARMS
